LIVING HELL MEETS THE DEAD OF NIGHT

It's been foretold in the icy malevolence of the stars: A diabolic high priest offering down a prayer for war — a war waged in the name of the holy altar of the infernal, an undead messiah and his monstrous flock, steeling themselves against a hostile foe what's left of their souls. Two dark battles, baring fang and fury in no holy crusade only one side will survive . . .

From the midnight inspiration of best-selling author Clive Barker come the merciless Cenobites and savage Nightbreeds, clashing for the first time anywhere in a wicked war of damnation, twisted betrayal and unnatural redemption . . .
